Assignment- 5 (Unit-5)
Practical Assignment 5

Q:1

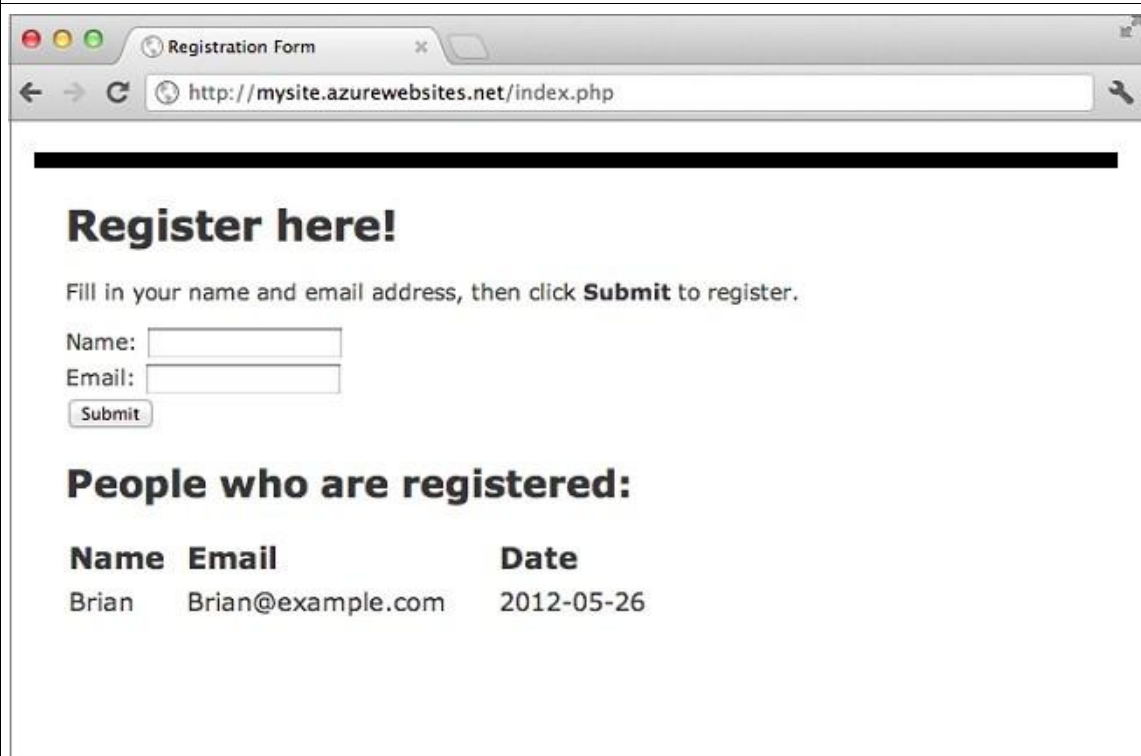

The screenshot shows a web application interface. At the top, there is a search bar with the label "Keyword" and a "Search" button. Below the search bar is a table with the following data:

CustomerID	Name	Email	CountryCode	Budget	Used
C001	Win Weerachai	win.weerachai@thaicreate.com	TH	1000000	600000
C002	John Smith	john.smith@thaicreate.com	UK	2000000	800000

Below the table, there is a pagination message: "Total 4 Record : 2 Page : 1 [2] [Next>>](#)".

Create a page as above and search the result for customerID which displays record stating that customerID.

Q:2

The screenshot shows a web application interface. At the top, there is a browser window with the title "Registration Form" and the URL "http://mysite.azurewebsites.net/index.php". Below the browser window, there is a registration form with the following elements:

- A heading "Register here!"
- A subheading "Fill in your name and email address, then click **Submit** to register."
- Input fields for "Name:" and "Email:"
- A "Submit" button
- A heading "People who are registered:"
- A table with the following data:

Name	Email	Date
Brian	Brian@example.com	2012-05-26

Create a Page like above.

Q:3

The screenshot shows a Windows Internet Explorer browser window titled "Registration Form - Windows Internet Explorer". The address bar displays "/validation.aspx" and the Bing search engine. The Favorites bar shows "Registration Form". The main content area has a heading "Register" and two input fields. The "Name:" field is empty and highlighted in yellow, with the message "This field is required." to its right. The "Email:" field contains the text "bob" and is also highlighted in yellow, with the message "Please enter a valid email address." to its right. Below the fields is a "Register" button. The status bar at the bottom indicates "Local intranet | Protected Mode: Off" and a zoom level of "100%".

Registration Form - Windows Internet Explorer

6.

The image shows a screenshot of a software window titled "Add/Edit book". Inside the window, the main heading is "LIBRARY ADMINISTRATION" in a large, bold, serif font. Below this, the subtitle "NEW BOOK" is centered. The form contains several input fields and labels:

- Book ID:** A label followed by a placeholder "[Book ID]" and an empty text input field.
- Title:** A label followed by an empty text input field.
- Author:** A label followed by an empty text input field.
- Genre:** A label followed by an empty text input field.
- Place in Library:** A label followed by an empty text input field.
- Condition:** A label followed by an empty text input field.

At the bottom of the window, there are two buttons: "OK" on the left and "Cancel" on the right.
